Ecorana 2018 – 2019 Rates

Ecorana Environmental provides all logistical support and programming throughout Belize and can offer additional services and a multitude of add-ons for your group, including: lectures, course instruction, equipment rental, transportation, field exercises, workshops and guided activities at T.R.E.E.S, and guided eco-tours as well as meals and lodging at partner facilities throughout Belize both on the mainland and on the islands. A selection of add-ons and prices are shown below for activities and services most commonly added to group programs. A programming and logistical support fee of 10% of the total is added for all off-site bookings.
